

**Faunistical records, confirmations, invalidations and species substitutions**  
**Noutăți faunistice, confirmări, infirmări și substituiri de specii**

The next taxa are new for the Romanian fauna:

**Eriocraniidae**

*Eriocrania sangii* (WOOD 1891)

**Adelidae**

\**Nematopogon metaxella* (HÜBNER 1813)

**Prodoxidae**

\**Lampronia capitella* (CLERK 1759)

*Lampronia fuscata* (TENGLÖM 1848)

*Lampronia splendidella* (HEINEMANN 1870)

**Glyphipterigidae**

*Glyphipterix haworthana* (STEPHENS 1834)

**Depressariidae**

*Exaeretia preisseckeri* (REBEL 1937)

*Agonopterix angelicella* (HÜBNER 1813)

*Depressaria olerella* ZELLER 1854

**Oecophoridae**

\**Denisia stipella* (LINNAEUS 1758)

**Autostichidae**

*Amselia cedestiella* (ZELLER 1868)

*Pantacordis pales* GOZMÁNY 1954

**Gelechiidae**

*Pyncostola bohemiella* (NICKERL 1864)

\**Metzneria neuropterella* (ZELLER 1839)

**Tortricidae**

*Cochylimorpha fucosa* (RAZOWSKI 1970) – specie nouă pentru fauna Europei

*Cochylimorpha fucata* (SNELLEN 1962)

*Cochylimorpha subwoliana* (DANILEVSKY 1962)

- specie nouă pentru fauna Europei

*Cochylis salebrana* (MANN 1862)

*Cochylis defassana* (MANN 1861)

*Falseuncaria degreyana* (MCLACHLAN 1869)

*Propiromorpha rhodophana* (HERRICH – SCHÄFFER 1851)

*Argyroploce noricana* (HERRICH – SCHÄFFER 1851)

*Argyroploce concretana* (WOCHE 1862)

*Thiodia caradjana* KENNEL 1916 – nouă pentru fauna Europei

*Thiodia trochilana* (FRÖLICH 1828)

\**Epinotia caprana* (FABRICIUS 1798)

*Epinotia demarniana* (FISCHER v.

RÖSLERSTAMM 1840)

\**Eucosma tundrana* (KENNEL 1900)

*Epibactra sareptana* (HERRICH – SCHÄFFER 1861)

\**Epiblema crnicolana* (ZELLER 1847)

*Cydia oxytropidis* (MARTINI 1912)

\**Cydia medicaginis* (KUSNETSOV 1962)

*Cydia conicolana* (HEYLAERTS 1874)

\**Pammene obscurana* (STEPHENS 1834)

*Strophedra weirana* (DOUGLAS 1850)

*Dichrorampha podolinensis* (TOLL 1942)

*Dichrorampha aeratana* (PIERCE & METCALFE 1915)

*Dichrorampha eximia* (DANILEVSKY 1948)

\* *Dichrorampha heegerana* (DUPONCHEL 1843)

*Dichrorampha cinerosana* (HERRICH – SCHÄFFER 1851)

(\* = confirmation of some older or uncertain records)
